

Actor's Bootcamp - Students entering 4th to 9th grade. Come stretch your acting muscles and build some new ones with Acting Bootcamp! Activities include acting exercises, games, skits, and more. We'll learn how to build character through voice, face, body, and creativity during four fun hours! While not required, techniques students learn will be beneficial in preparing for the July Workshop/Performance session.

Bring a snack and a water bottle for our mid-morning break and wear comfortable clothes.

Monday, June 17- Friday, June 21 ~ 8am to Noon

Workshop/Performance - Students entering 4th to 9th grade. This summer, we'll be sailing into "Treasure Island." This season's play will be a musical with great parts for actors of all levels of experience. (No musical talent required and everyone is cast in the show.) "Treasure Island" presents the opportunity for actors to participate in a modern retelling of the classic high seas adventure. And yes, we will get to sing and dance! Our focus for the July session will begin with auditions day one and getting a great show ready to present in ten days of rehearsal.

Bring a snack and a water bottle for our mid-morning break and wear comfortable clothes.
