

## **Campanile Conservatory** **Smartphone “Phone”topography** **Registration Fall 2023**

### **Campanile Conservatory Smartphone Photography Workshop:**

Saturday, September 16 - 9:00 am to 11:00 am

*Teens to adults. A good photo is a good photo, no matter what device it's taken with. This session is dedicated to helping you with the basics of smartphone photography – how to take a great shot on your phone, which accessories are available, and how to share and print your images and keep them safe. Basic photographic skills are a plus but not necessary for this class.*

*\$45. Class size is limited to 10.*

**Meet the Instructor:** Photography classes instructed by Howard Honig. Howard is a second-generation photographer and has previously taught classes at Campanile. He studied at Columbia College in Chicago and spent several years working on the *City of Chicago* press staff. His duties involved covering Mayors Michael Bilandic and Jane Byrne and other political figures. He specialized in photo journalism and product photography, weddings and events.
